++ Valid for broadcast between 0600 and 1800

Headline:
Mostly fine, dry, occasionally bright and mild.

Today:
The majority will stay dry with good bright and sunny spells appearing on a mild day of light to moderate west to southwest breezes. However a few light showers may appear across cloudier Dumfries and Galloway and southern Borders. Maximum temperature 13 deg C (55 deg F).

Tonight:
Cloud soon thickening from the south with a band of occasionally heavy rain extending northwards to reach all from around midnight. Minimum temperature 6 deg C (43 deg F).

Friday:
Overcast and wet initially. Turning drier late morning, but continuing rather cloudy through the afternoon with some patchy light rain or drizzle appearing. Maximum temperature 12 deg C (54 deg F).

Outlook for Saturday to Monday:
Saturday mild again but windy with showers that may merge to longer periods of rain initially. Sunshine, showers for Sunday. Fair start to Monday, but some rain then showers later.
